**Keywords:** Islam, Muslim, Arab, Persian, Turk

### **Message Description**

- 1,400 year Islamic conquest in three waves: Arab/Persian; Turkish; and Post World War II.
- How Christianity was swept from North Africa and the Middle East, but saved in Europe!
- Jesus and Mohammed compared.
- Is Islam just a religion, or also a political and military system?
- What is the Christians response to the modern-day push for sharia in Western nations which are dedicated to equality and preserving freedom of speech and conscience?
